

This is a detailed exploded view diagram of a mechanical assembly, likely a pump or motor component. The diagram shows the assembly sequence and relative positions of various parts, which are numbered for identification. The main assembly is shown in a perspective view, with several sub-assemblies and individual components exploded from it. The parts are numbered as follows:

- 001: Two large cylindrical components, likely the main housing or end caps.
- 01: The main central assembly, possibly the pump head or motor housing.
- 02: A small circular component, possibly a seal or gasket.
- 03: A small circular component, possibly a seal or gasket.
