INTERNATIONAL® 975CS SPECIFICATIONS AND PARTS LIST

Congratulations on the purchase of your 975CS, the "Casting Special" of the International® Baitcasting series. Listing below are specifications for the 975CS. Please refer to the enclosed generic International® baitcaster manual for general operating features, quality features, care and lubrication, servicing, etc., but disregard references to a levelwind. By design, the 975CS does not include a levelwind. Without those extra moving parts, you will achieve maximum casting distance and enjoy the simplicity of a non-levelwind reel.

Good casting and fishing!
